Atty Docket No. NEWL-005/02US:

Serial No.: 10/780,150

Applicants would like to thank Examiner Thomas for meeting with their representatives on March 10, 2010. As stated in the Examiner's Interview Summary mailed on March 12, 2010, during the interview Applicants' representatives and the Examiner discussed potential claim amendments and approaches to overcome the claim rejections were discussed. In particular, Applicants discussed amending the claims to delete the word "essentially" and pursuing other alternatives to the current claim language in a continuation application. In addition, the Examiner agreed to carefully consider whether the exemplification of D1MT efficacy for two

In view of the foregoing, Applicant respectfully submits that no further impediments exist to the allowance of this application and, therefore, requests an indication of allowability. However, the Examiner is requested to call the undersigned if any questions or comments arise.
